

PRESS RELEASE
For Immediate Release

A message from blueharbor bank about the coronavirus (COVID-19)

MOORESVILLE, NC, December 11, 2020 – Effective Saturday, December 12th, we are closing the lobbies of all of our offices and utilizing our drive thru, ATMs (where available), internet and mobile banking channels for transaction services. Our lobbies have been open since June for the convenience of our customers while many bank lobbies have been closed since early March. blueharbor bank's top priority is the health and safety of our employees, customers and communities we serve. While we are continuing to monitor the impact of the COVID-19 coronavirus in our local area, the state of North Carolina and in our country, we are implementing the above change to minimize person-to-person contact. With the COVID-19 case numbers rising rapidly we think the prudent thing to do is take this action. Customers who need to conduct business in person with a banker please call and schedule an appointment.

If you need assistance setting up online or mobile banking tools and would like to schedule an appointment to conduct business in person, or have any other questions, please reach out to us at (704) 662-7700. Please do not hesitate to reach out if you have any questions or concerns about your personal or business financial affairs.

Please check our website (www.blueharborbank.com) for updates as this situation evolves.

blueharbor bank is very well capitalized and strong financially and together we will work through what may be a rapidly changing environment. We remain committed to the safety and wellbeing of all and hopefully the vaccines will be effective and we can return to business as usual soon.

Sincerely,
Jim Marshall
President and CEO
(704) 658-3701
